CORE STRENGTH

- Simulation & Software Onboarding
- Advanced Storyline & Interactive Systems
- Product Training & Digital Adoption
- AI-Enhanced Learning Solutions
- Learning Technology & Learning Analytics
- Performance & Workflow Enablement

TECHNICAL SKILLS

LEARNING TECHNOLOGY & AUTHORING

- Articulate Storyline, Adobe Captivate, GOMO, Vyond, CenarioVR, Camtasia

MULTIMEDIA, AI & UI DESIGN

- Adobe Suite (Photoshop, Illustrator, After Effects, InDesign, XD), Figma, Balsamiq, InVision, Adobe Firefly, Synthesia, Colossyan

3D & ANIMATION

- Autodesk 3ds Max, Vray, CGI, Animation, 2D/3D Rendering

WEB TECHNOLOGIES

- HTML5, CSS, JavaScript

LEARNING TECHNOLOGY & INTEGRATION

- Atlassian Jira, Learning Management Systems (LMS), SCORM/xAPI, Learning Analytics

STANDARDS & COMPLIANCE

- WCAG 2.0, Section 508, ADA Compliance

CORE COMPETENCIES

- Simulation-Based Learning
- Product Training & Software Onboarding
- Interactive Learning Design
- Digital Adoption
- Accessibility Standards (WCAG/ADA)
- Gamification
- Generative AI Learning Solutions
- VR/AR Learning
- UI/UX Design for Learning
- Multimedia Design & Animation

SUMMARY

Learning experience specialist with 13+ years of experience designing complex simulation-based learning, product training, and software onboarding solutions for SaaS, enterprise, and digital-product environments. Skilled in advanced Articulate Storyline development, generative AI tools, and interactive multimedia, building decision-driven learning systems that accelerate user and product adoption, improve performance, reduce errors, and replicate real-world workflows.

Experienced in leveraging learning technology, digital adoption practices, gamification, immersive approaches (VR/AR), and generative AI-enabled solutions to create scalable digital learning experiences that support business outcomes, workforce capability development, and enterprise systems adoption.

EXPERIENCE

Apr 2023 –
Present

Senior Learning Experience Designer (Senior eLearning Developer – Tier IV)
ELB Learning – Pune, Maharashtra

- Designed & developed 200+ simulation-based learning, product training, & software onboarding experiences for SaaS & enterprise applications using advanced Articulate Storyline (variables, triggers, branching logic), improving learner engagement by 30%.
- Built **decision-driven simulations** that replicate real-world workflows, enabling users to practice problem-solving and critical decision-making in a risk-free environment.
- Integrated **generative AI-powered learning elements** (e.g., AI avatars, dynamic content workflows) to enhance personalization and scalability of training solutions
- Developed **gamified and scenario-based learning journeys**, improving knowledge retention and learner participation
- Led implementation of **SCORM/xAPI-compliant solutions** ensuring seamless LMS integration and accurate learning analytics
- Ensured **accessibility compliance (WCAG, ADA, Section 508)** across digital learning products
- Collaborated with cross-functional teams to translate business requirements into **interactive learning, product adoption, and performance-focused solutions.**

Aug 2022 –
Mar 2023

Lead Instructional Designer (Job Title: Training Manager I)
Amazon Development Centre (India) Private Limited – Pune, Maharashtra

- Led development of **interactive, multimedia-based learning solutions** improving user participation by 25%
- Managed a team of 4 developers to deliver **scalable digital learning experiences aligned with business needs**
- Collaborated with SMEs to translate requirements into **engaging, performance-focused learning content**

Jun 2019 –
Aug 2022

Deputy Manager
VOIS – Pune, Maharashtra

- Designed and developed **gamified and scenario-based learning modules** improving knowledge retention
- Led creation of **interactive onboarding and compliance training programs** for large-scale audiences
- Partnered with business stakeholders to deliver **self-paced, performance-driven learning solutions**

CERTIFICATIONS

- Artificial Intelligence for Business Leaders
- Elearning Essentials: Instructional Design
- Agile Instructional Design
- Measuring Learning Effectiveness
- Figma Essential Training: The Basics
- Adobe Captivate Essential Training

Additional certifications available on LinkedIn

EDUCATION

Post-Graduation in Interactive Media Design

Fanshawe College, Canada
2015 – 2016

Diploma in Applied Arts / Commercial Arts

Sheth C.N. College of Fine Arts, India
2002 – 2007

EARLIER EXPERIENCE

Jan 2019 – Jun 2019	●	Senior Engineer <i>Katalyst Software Services Pvt. Ltd. – Pune, Maharashtra</i>
Jul 2018 – Oct 2018	●	Project Lead – Design <i>Hitech iSolutions LLP – Ahmedabad, Gujarat</i>
Apr 2018 – May 2018	●	Technology Sales Area Rep / Copy & Print Associate <i>Staples – Manitoba, Canada</i>
Sep 2016 – Dec 2017	●	Project Lead – 3D Design <i>Varologic Technologies Pvt. Ltd. – Ahmedabad, Gujarat</i>
Sep 2013 – Dec 2014	●	Senior 3D Visualizer <i>Varologic Technologies Pvt. Ltd. – Ahmedabad, Gujarat</i>
Feb 2012 – Sep 2013	●	Senior Software Design Engineer <i>iGATE – Pune, Maharashtra</i>
Oct 2010 – Jan 2012	●	3D & Flash Designer <i>Graphinet Solutions Pvt. Ltd. – Pune, Maharashtra</i>

PORTFOLIO HIGHLIGHTS

 Simulation-Based Branching Scenarios Real-world scenario simulations with advanced branching and decision logic.	 AI-Integrated Learning Experiences Generative AI avatars, dynamic content workflows, and intelligent personalization.	 Gamified Compliance Training Engaging gamified learning journeys that drive participation and improve retention.
 Storyline Advanced Trigger Systems Complex interactions using variables, triggers, and custom logic.	 WCAG-Compliant Learning Design Accessible, inclusive learning aligned with WCAG, ADA, and Section 508 standards.	 SaaS Product Onboarding Simulations Simulated software onboarding flows that reduce time-to-proficiency & support digital adoption.
